Narberth Choral Society Permanently Organized And In Full Blast

Ye absent singers from the organization meeting of the Narberth Choral Society last Monday evening must have had burning ears! Many tributes were paid to the good singers of the Community, which are so numerous, and of which Narberth is so proud!

You can well imagine that a convening of approximately sixty enthusiastic singers and interested sponsors would "start something!" And it sure did!

Our Mr. William S. Horner acted as Chairman pro tem., and as Mr. Horner's competency and efficieney has long been recognized in Community affairs, it is needless to effuse on the exceptional manner in which he handled this meeting. The members of the Choral are deeply appreciative of his help in the organization of its Society.

We want to tell you right now who the sponsors of the Society are—they are men and women of Narberth and vicinity whose names you only have to mention to effect the comment: "Oh, yes, **of course,** every body knows him (or her), why nothing of real benefit is ever put through here without **their** sanction and backing." And to prove this to you, we'll just tell you their names.

Mr. Charles E. Hires, Mr. A. J. Loos, Mr. F. W. Stites, Mr. J. J. Cabrey, Mrs. Carroll Downes, Mr. C. Howard McCarter, Mr. Harry A. Jacobs, Mrs. C. P. Fowler, Mr. Nicholas Thouron, Mr. A. E. Muschamp, Mr. H. R. Hillegas, Commander Follin, Mrs. S. T. Zook, Mr. Henry Rose, Dr. O. J. Snyder, Mrs F. W. Stites, Mr. Wm. D. Smedley.

These sponsors of the Choral Society were at the meeting Monday evening, and were just as enthusiastic about it as the active members, and offered every possible assistance and encouragement.

Very competent and wide-awake officers were elected:

President, Mr. H. A. Hayward, Vice President, Mrs. H. A. Bradley, Recording Secretary, Miss Ruth E. Prescott, Financial Secretary, Mr. F. Millwood Justice, Treasurer, Mr. Hervey Keim, Librarian, Mr. R. A. Cuthbert.

As time did not permit, the President, Mr. Hayward, was forced to hold in abeyance the selection of a Membership Committee, Publicity Committee, etc., and also the election of a Board of Managers, which was deferred until the next meeting. However, the matter of

Original Three Act Musical Comedy To Be Given By Tennis Association

IT'S CALLED "THE SUNKEN OLIVE GARDENS" AND WILL BE THE BIG ENTERTAINMENT OF THE YEAR—TO BE GIVEN TWO NIGHTS—MARCH 3 AND 4—TICKETS MAY BE HAD FROM ANY OF THE MEMBERS

The secret is out at last!

And as one of Narberth's leading citizens said the other night after he had heard a detailed outline of the proposition—

"Well, this beats anything that has ever been undertaken in the town of Narberth or the Main Line, or, so far as I know, in any suburb within twenty miles of City Hall!"

And the man who spoke these enthusiastic words was well within the bounds of a judicial statement.

March 3 and 4 the Dates

And the secret is, that on two evenings, Thursday night, March 3rd, and again on Friday night, March 4th, the members of the Narberth Tennis Association are going to give their big annual entertainment in Elm Hall. Moreover, this year's entertainment is going to go far beyond last year's show and every one who saw last year's performance will admit that that is "going some."

For this year's production is to be an original, full-fledged, three-act musical comedy, written by a member of the Tennis Association, directed by the author—James F. Donnelly—and produced by other members.

Yes, and it is a local Narberth musical comedy at that— Narberth settings and Narberth characters!

They'll Make Mr. Ziegfeld Jealous

And when you see those "completely renovated" Tennis players made into chorus girls, you'll see a sight that will be sufficient to turn Mr. Ziegfeld green with envy.

And when you see the leading characters—Well, you'll admit that certain residents of our community who are members of the Tennis Association are certainly missing wonderful opportunities by not going on the professional stage.

"The Sunken Olive Gardens" is the title of this three-act musical comedy and the plot is not only unique, but extraordinary and as thrilling as any Theodore B. Kramer melodrama. Yes, and there is lots of comedy in the lines as well as in the songs.

Any resident of Narberth who misses both performances of "The Sunken Olive Gardens" is going to miss the treat of the year.

Take No Chances—Get Your Tickets Now

The success of last year's show was so pronounced, and there were so many more people who wanted to see it than could be accommodated on the one night, that this year the Tennis Association decided to give it two nights.

Tickets for both performances are now in the hands of the members of the Tennis Association and they will be glad to supply anyone with as many tickets as they want. If you are not acquainted with any of the members, drop a line to C. L. Warwick, 219 Hampden Avenue, Narberth, or phone Mr. Warwick, Narberth, 1607-W. He is chairman of the ticket committee and will be glad to supply you with tickets.

However, we urge everyone to secure tickets as early as possible. Already there has been a marked demand for tickets for both nights. Remember, "The Sunken Olive Gardens" will be given first on Thursday evening, March 3rd, and again on Friday evening, March 4th. Each performance will begin at 8:15 sharp.

Get some of your Philadelphia friends to come out on the train that leaves Broad Street at 7:45 and show them what Narberth can do in the way of a genuine and original musical comedy entertainment.

Narberth League of Women Voters

Below are given, for your information, some of the more important measures introduced in the present session.

The most important measure was presented by Senator William E. Crow, of Fayette County. It is Governor Sproul's bill authorizing the calling of a constitutional convention, and provides that at the primaries in September the voters shall pass on the question whether there shall be a constitutional convention. If this question is decided in the affirmative, the bill provides for the election of delegates at the November election.

The Convention may submit a whole constitution or parts to the people and this provision may prevent the rejection of the whole Constitution for some unpopular section, as has happened in other states.

Pennsylvania's Constitution has not been revised for over 48 years and is unsuited in many ways to meet the changes in social conditions. If this constitutional convention is not authorized, it will mean a delay of these improved changes from Jan. 1, 1923, to Jan. 1, 1925. Urge your Senator and assemblyman to vote for this bill.

Something Doing In Narberth

Haverford Avenue, from Essex to Narberth Avenues, should be better lighted.

Narberth sidewalks should be walks—properly drained—and not puddles.

New street signs should be erected at once.

Children should be prohibited roller-skating on Haverford Avenue, between Essex and Narberth Avenues, to their great danger and annoyance of automobile drivers.

Sabine Avenue, from Essex to Narberth Avenues, should be an avenue not a mud road, because it faces the main entrance to our public schools.

The plot of ground north of the railroad station should be attractively planted.

A great many Building and Loan investors try to take stock in each issue in order to have them mature every year after their first series matures, which guarantees them a steady income for as long a time as they take out new series. As there are two series issued each year, one in March and the other in September, one share taken out each year in each of these series should give an income of $400 a year after your first series matures, and, of course, your income would increase by the number of shares you had taken out. The only fault to find with shares taken out this way is that your first series does not mature until between eleven and twelve years from the date of its issue.

Montgomery County Tax Rate Unchanged

COMMISSIONERS CUT DOWN ESTIMATES TO AVOID AN INCREASE

Rate Is Two Mills

The Montgomery County Commissioners fixed the tax rate for the county the past week for 1921 at two mills, the same as the present rate.

It was reported from some quarters that the finances of the county would require a raise in the rate, likely to four mills, but this was not found necessary.

The County Commissioners, however, made cuts in some departments, and shaved the budget to get the amount needed for all county purposes down to a point where two mills would cover the total.

Based on the figures submitted by the commissioners, $1,345,780 will be required to operate the county for this year.

The following appropriations were made: Bridges, $52,980; turnpikes, $147,700; miscellaneous, $113,600; penal institutions, $101,000; almshouses, $80,000; interest on bonds and redemption, $62,000; commissioners' office, $40,000; Courts, $39,500; recorder of deeds' office, $33,000; elections, $30,000; prison, $27,000; register of wills' office, $23,000; allowed for district attorney's office, $21,000; road damages, $15,000; prothonoary's office, $15,000; county treasurer's office, $13,000; sheriff's office, $12,500; courthouse, $12,000; controller's office, $11,000; house of detention, $10,000; clerk of courts' office, $9,000; coroner's office, $2,000; justice of peace, $500.

The annual statement of County Controller Horace W. Smedley showed that $1,721,250 was received last year by the county treasurer, which added to the balance of over $355,000, made a total of over $2,075,000, and the disbursements were $1,929,000, which left a bit over $147,000 on hand at the start of this year.

It is certain the expenses will have to be cut quite a bit to meet the budget of 1921.

Last year the almshouse cost $94,000 and the prison nearly $30,000 to operate. The county poor directors asked for $100,000 this year and are given but $80,000, while the prison receives but $27,000.

The failure of the Court to finally settle the salary question for the District Attorney's office has caused the commissioners to provide for the emergency by setting aside $21,000 for District Attorney Renninger and his aids, should the decision be favorable to that official.

The bridge total above includes $87,880, representing the share of the P. & R. Railway for the Conshohocken bridge, and which is listed as an asset.

Road Foreman Named.

John A. Carl, of Pottstown, and Benjamin Shaw, of Cynwyd, have been appointed road foremen for Montgomery county, by the commissioners.

Both of the new foremen have been inspectors on county contracts during the past year. The posts they now fill are new ones, under the direction of County Engineer Cressman. Carl will have charge of ten roads, and Shaw supervision over eight in the county. Their salaries are fixed at $7 per day.

In line with the general policy of economy, it is expected a halt will be called on the wholesale purchase of land for the extension of Valley Forge Park by the repeal of the law which permits the park commissioners to keep adding to the park grounds.

A bill is now before the legislature sponsored by Senator T. Larry Eyre, of West Chester, which would appropriate the sum of $651,000 to the Valley Forge commissioners.

The death, the past week, of Samuel S. Hartranft, superintendent of the Valley Forge Park, and that of Attorney J. P. Hale Jenkins, also a park commissioner, several weeks ago, leave two vacancies on the board, which will be filled in the near future. Both men had been connected with the park since its establishment.

The Montgomery County Board of Poor Directors appointed Attorney H. Wilson Stahlnecker, secretary and solicitor for the board at a salary of $1,200 a year. John H. Bartman was re-elected steward and Mrs. Bartman matron, at salaries of $1,320 and $540, respectively per year. They were praised for their work at the county home last year.

Jacob Kulp was appointed head farmer at a $1,200 salary. Wilmer Allebach, assistant farmer, at $70 per month; Frank Bauer, labor foreman, at $82.50 a month; Jacob Hafner, head baker, at $70 a month; Michael Harner, watchman, at $45 a month; Mary E. Kerper seamstress, at $45 a month.

In asking for an increase of $15,000 over the appropriation of last year the poor directors were considering demanded increases in salaries at the County Home and Hospital at Black Rock. Also for medicines and medical attention. The board found doctors generally unwilling to make any propositions to do the work for certain specific amounts per year, as heretofore.

CONGRATULATION TO THE TENNIS ASSOCIATION

The members of the Narberth Tennis Association are to be congratulated, even in advance, on their very pretentious and commendable efforts in connection with their forthcoming annual show.

This year's entertainment is to be a regular three-act musical comedy, composed by a member of the Association and produced by other members. An outsider who has been granted the courtesy of viewing one of the rehearsals informs us that "The Sunken Olive Gardens," which is the title of this new musical comedy, is an exceedingly creditable piece of work and worthy of the authors of many of our most popular professional musical comedies.

We feel that Narberth is to be congratulated on having so ambitious and capable an organization as the Tennis Association.

A lot of people delayed getting tickets for the Tennis Association's big show last year and did not get in—the hall was packed by 8 o'clock! Take warning and get your tickets for this year's show "The Sunken Olive Gardens," immediately, from any member of the Association.

Captain Ebbert to Speak

Captain Frank B. Ebbert who will speak at the Community Meeting to be held in the Presbyterian Church tomorrow night, in the interests of Prohibition Law Enforcement, is the Associate General Counsel of the Anti-Saloon League of America. He is a distinguished lawyer, a veteran of two wars and an eloquent and convincing public speaker. For eight years he

Captain Frank B. Ebbert

was at the head of the Legal Department of the Anti-Saloon League in Chicago. Through all these years he matched his wits and his eloquence with the ablest lawyers that the liquor forces of the Windy City were able to send against him at Springfield. He finally won his battle and the law enforcement code that he prepared and backed, was finally made the law of that State, and is one of the most effective in the whole country.

The situation in Pennsylvania is very acute at this time. The Anti-Saloon League has had introduced an Enforcement Code which will at the same time repeal the Brooks Law and do away with the entire license system. The old organized liquor interests of the State are fighting desperately to retain the license system. Captain Ebbert is expected to make a clear statement of the merits of this fight.

tion will only take about six years to mature, which will appeal to a great many investors and will also be of benefit to those who have taken out new series each year with the idea as stated above, to have an income from Building and Loan each year. If you have some of the Long Term Series that has run four or five years and decide to take some of the new Short Term Series which will mature before your first Long Term Series, you will be enabled to realize on the Short Term before your first series in the Long Term matures.

If you have been taking ten shares a year in the Long Term Series, you will receive on its maturity $2,000 in between eleven and twelve years on the payment of One Dollar a share each month, and if you should decide to take shares in the Short Term Series, which will mature in about six years, it would only be necessary to take five shares on which you would pay two dollars a month to equal $1,000 in half the time necessary to mature your $2,000 in the Long Term Series.

The accounts of the Narberth Building and Loan Association have been audited for the past year and the rate of profit has been found to be 8 3/10%.

The condition of the Narberth Building and Loan Association will compare favorably with any Building and Loan Association in Philadelphia or vicinity. The loans on property have been very conservative, and it has never had to take over a property or foreclose a mortgage. The Directors of the Narberth Building and Loan Association are active in its management and their attendance at the monthly meetings is nearly perfect. Any one of the Directors or Officers will be glad to explain to you the Building and Loan idea of saving money or purchasing a home, and will make arrangements for you to take either Short or Long Term stock in the new Thirty-first Series which will open at Elm Hall, on Thursday evening, March 3rd, from 7 until 9.

The Annual Report of the Narberth Building and Loan Association will be ready for distribution at the March meeting, and we would suggest that you take this Annual Report and figure out how much you have saved by being a shareholder.

RAINEY WOOD DOMESTIC COKE

made at the best and most modern equipped coke plant in the world, and at pre-war prices

The price for Anthracite Coal is, in the main, governed by the law of supply and demand. If the same law were allowed full sway the price would be higher than ever.

Legislative laws are a doubtful remedy.

Let one-half of the people of the Northeastern Atlantic Coast States turn to coke and soft coal, now made cheap by the natural law of supply and demand, in full swing, and both labor and capital in the Anthracite business will be standing on their heads in two weeks' time.

We know from personal experience, some twenty years ago, of a town of 3,000 people about 500 miles west of Pittsburgh, Pa., who then and now use soft coal, few having ever seen Anthracite, and where no one dies except from old age.

The price of coke delivered in this district is **$8.75** per ton in the cellar. Every cent of easy money has been eliminated in making this price. We will have to sell a great quantity of this coke or discontinue it altogether. Please give us an order and tell us what you honestly think of it.

We Will Measure Up

It was said of George Washington that the office of President of the United States was "cut to his measure"—it fitted him better than any other man of his time.

The life of each of us is cut to our measure—it is up to us to recognize and live up to its full capabilities.

This institution is doing its best to fulfil the purpose for which it came into being—to assist the people of this community, through the wise management of finances, to attain their full share of success.

On Washington's Birthday this Institution is closed, to honor the memory of a great man who measured up to the work cut out for him.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Ardmore Y.M.C.A. News

On the first Thursday and Friday of March, 3rd and 4th, our instructor in Millinery and Dressmaking, Madam Thasin, will open her spring courses for the benefit of the women of the Main Line. This will provide the opportunity of the season for the women to make their spring and summer hats and gowns, under the direction of an expert fitter and designer. The courses will begin on the dates above mentioned and continue for twelve weeks. Arrangements have been made to have a group in millinery meet every Thursday morning, beginning March, at Narberth, and two classes in our Association Building at Ardmore; one on Friday afternoon from three to five, the other on Friday evening from seven to nine. On Thursday evening a course in Dressmaking will be given at our Building in Ardmore. Arrangements are under way for providing a class at Wayne on Thursday afternoons, from three to five. More definite announcements concerning this will be made a little later. Those interested will do well to get in touch with us early, as the enrollment number must necessarily be limited, and there will likely be a great demand for this work.

On Thursday night, February 10th, Ridley Park sent two Basketball teams over, who knew enough about the game to defeat our Comet team by the score of 43 to 24, while their first team handed our first team a score of 19 to 17. On Saturday evening, February 19, our Comet team will play the Jada team of Ardmore, between these two local teams an interesting game will be assured.

On Saturday, February 12th, a number of our boys journeyed to Camden, New Jersey, to take part in the Y. M. C. A. Indoor Track Meet. In spite of the fact that there were large city Associations represented, including three buildings of Philadelphia, Germantown and Camden, our boys took third place. Waldo Kurta and Wayne Price doing especially good work, the latter winning two first places.

New Hospital Requested

Contagious Disease Institution Urged for Montgomery County

The Council of Social Welfare of Montgomery County after its organization in Norristown Wednesday, decided to call the attention of the Montgomery County Commissioners to the need of a contagious disease hospital in the county and ask that one be erected at the earliest possible date.

The organization, composed of prominent men and women of the county interested in social work, elected Miss Kate Brustar, president; Miss Mary Lenter recording secretary; Morris Harrison, Wyncote, corresponding secretary, and Miss Childs, of Norristown, treasurer.

Literature Class

The Literature Class of the Community Club met last Monday morning as usual, and continued its reading of "Adventures and Enthusiasms," by E. V. Lucas. The first half hour was spent in discussing current news of books and authors and in reading poetry brought in by members of the class. Florence Earle Coates, of Philadelphia, who has been designated by the State Federation of Women's Clubs as the "State Poet," was called to the attention of the class through her poems, "The Violin," and "His Face." Discussion of Robert Frost's poem, "Something there is that does not love a wall," concluded the meeting.

The class meets every Monday morning, from 10.30 to noon, with Mrs. Robert Wood, at 12 Avon Road, and is open to all members of the community Club.

SOMETHING DOING IN NARBERTH

(Continued from Page 1.)

The Borough Highway Department should provide a means of disposing of rubbish from our stores as the merchants have no means of disposing of rubbish, and the ash collectors and garbage collectors will not take it, and beside, the merchants want to keep Haverford Avenue spick and span.

Who started all this?

Why: The Narberth Chamber of Commerce, organized by the merchants of Narberth, to make Our Town a better town and for many other good purposes, to be announced later.

Who's in it?

Here they are.

President, Daniel Leiten.
Vice President, Alex C. Shand, Jr.
Secretary, Henry T. Nash, Jr.
Treasurer, A E. Wohlert.

Directors

Howard Cotter.
Wm. S. Howard.
Edward S Haws.
Robert J. Nash.
Eugene Davis.

Where do they meet?

In Robert Nash's real estate office, at the station.

When do they meet?

On the second Thursday of every month, at 8 P. M.

They started many other things to be heard from later.

The meeting was far from a knockfest, in fact the members all proved to be big boosters for Narberth, the improvements mentioned were all treated as possibilities and the criticism was all constructive.

Those present agreed that Narberth's schools were of the finest, Narberth is unusually attractive as a suburban home site, our paved streets are the best paved and best maintained on the Main Line.

Our merchants provide all that anyone might expect in a suburban town, our sewer, water, electric, gas and telephone service are not surpassed in any big city, in fact not equalled.

Our train service is quicker, more comfortable and more reliable than the trolley service in the big cities and the lower taxes pays the difference in cost.

A large active membership is all that our Chamber of Commerce needs and all those who believe in Narberth's future should co-operate, and necessarily all who live here believe or will learn that they have chosen wisely.

RESOLUTIONS ADOPTED AT THE CLEVELAND CONVENTION

"**Whereas**, a movement has been instituted to adopt the poppy as the memorial flower of The American Legion throughout the nation; and,

"**Whereas**, out of this should come some symbol to perpetually remind us, and to unfailingly teach coming generations, the value of the 'Light of Liberty' and our debt to those who helped to save it for us by paying the supreme sacrifice, and that we may not forget that

'In flanders fields the poppies grow
Among the crosses—row on row,'

"**Therefore be it resolved**, by The American Legion in convention assembled, that the movement to have the poppy adopted as the memorial flower of The American Legion be endorsed; and be it further

"**Resolved**, that each member of The American Legion be urged to wear a red poppy on May 30 of each year; and be it further

"**Resolved**, the the National Convention adopt the poppy as the official memorial flower of The American Legion."

NEXT MEETING

The next meeting of the Harold D. Speakman Post 356, American Legion, will be held on Friday evening, February 25th. Come and welcome the new members.

POST HOME

The quarters of the Post have been made very comfortable and the men are urged to make themselves at home at all times.

SICK REPORT

We are pleased to report that Comrade Martin Cummer is able to be out and back to work.

Comrade Walter Courn, Jr., is recovering from a prolonged illness and we wish him a speedy recovery.

NEW MEMBERS

The results of the membership campaign show the amount of work not a few of the committee put in to make it a success.

The Women's Auxiliary of the Harold D. Speakman Post, 356, of the American Legion of Narberth, will give a series of card parties for the benefit of the Auxiliary. The first one will be given on Monday afternoon at 2 o'clock, at the home of Mrs. Rhoda Cutts, 211 Forrest avenue. Both "bridge" and "500" will be played. Admission, 25 cents. There will be no prizes. It is hoped that all the ladies of the Auxiliary will come and bring as many of their friends as possible.

3rd Series Opens Tuesday March 1st

The Narberth American Legion Building and Loan Association will open its third series on Tuesday evening, March 1st, at 7 o'clock, in the Legion Headquarters, at the Corner of Elmwood and Essex Avenues.

The Association is to be congratulated on having added to its directorship during the past few months, Fletcher W. Stites, Esq., Lt. Col. Isadore A. Miller and Henry J. Nash.

The shares of stock in the Association are open for subscription to the public at large.

One dollar ($1.00) per share per month paid on an average of 138 months means a saving of $200. In other words the average share in any one series matures (or becomes of $200 value) in 138 months.

If you are a borrower on your stock, which is every stockholder's privilege, or if you have secured a mortgage loan, you will find the straight full time, whole share association stock the easiest and most economical system of paying back your stock loan or paying off your mortgage loan.

Now is the time to start the "College Fund" for that little fellow or little girl. Your subscription to five shares in this series and five additional shares in a series two years later will guarantee them their start in the world.

Your saving fund account in a bank is built up for a rainy day and pays interest from 3.5% to 4.25%.

Saving in monthly deposits in our Association pays you from 7% to 8% on an average series.

You don't have to go to Philadelphia to see a real musical comedy—go see "The Sunken Olive Gardens," a full-fledged, three-act musical comedy, composed, directed, presented by members of the Narberth Tennis Association, at Elm Hall, March 3rd and 4th.

Junior Section
Women's Community Club

The last meeting of the Junior Section was held at the home of Miss Ella Dothard, Wynnewood Road, on Thursday evening, February 10th. After a business meeting in which the various chairmen of committees for the dance, March 5th, gave promising reports of progress, the Club spent a most interesting hour in reviewing the life and works of Alfred Noyes. Mrs. Norman Southworth, vice-chairman of the Juniors, gave a splendid summary of the life of this charming English poet, which she was able to present the more realistically since she had twice enjoyed hearing Mr. Noyes himself. Mrs. Southworth then selected several poems from his numerous writings which were read to exemplify his extreme versatility. Mrs. Southworth read "The Man Who Discovered a Chair," Miss Ella Dothard gave "The Highwayman," Miss Sample, "Forty Singing Seamen," Miss Jennette Gillis, "Haunted In Old Japan," and the "Woman-Soul," and Miss Margaret Eyre, "The Vindictive," and "Wireless."

The Club then enjoyed the delicious punch and cake provided by the hostesses of the evening. Because of the length of the meeting, Glee Club rehearsals were postponed, but something big in the way of a "Musical Surprise" is "coming over" soon—so keep your eyes and ears open.—And meanwhile,—remember March 5th!

NARBERTH LEAGUE OF WOMEN VOTERS

(Continued from Page 1.)

Senator Max Leslie, of Allegheny County, introduced a bill in the Senate proposing to give old age pensions to persons more than 65 years of age who have been residents of the state 15 years. It would authorize creating 68 boards to administer the pensions, one central board and one for each county. The State would appropriate $50,000 for the central board and provide the money for the pensions and the counties to provide all other costs. The objections to this measure seem to be the removal of important incentives for industry and thrift, and the supplying of a large number of jobs which could be administered politically.

Assemblyman John G. Marshall, of Beaver County, has entered a bill which if passed, will authorize a poll tax of from one to five dollars on each male and female resident of all counties except Allegheny and Philadelphia, for school purposes.

As the poll tax question was shown to be involved last fall, hardly any two counties following the same rule and as the Constitutional Revision Commission recommended that the payment of a state or county tax as a qualification for voting be eliminated from the State Constitution, it would seem unwise at this time to enact additional poll tax legislation.

Concurrent Resolution No. 1, sponsored in the House by Representative Glass, of Philadelphia, and providing for an investigation of the price of anthracite coal, was passed Monday night with a large favorable vote. Although it was opposed by representatives from counties in the Anthracite and Bituminious regions, by labor representatives and coal dealers, Mr. Glass argued that nut coal in 1916 was sold at the mine f. o. b. shipping point at $3.75 and the freight to Philadelphia was $1.70 and the labor for putting into our cellars was $1.33, a total of $6.78; that today the same coal at the shipping point costs $5.78, the freight also has increased and is $2.74 and the cost of delivery has increased to $2.00, making a total of $10.52; yet in Philadelphia the selling price is $15.50 or $16.00, and in some cities as high as $17 and the coal is 50% slate and dirt. The representatives from Bituminous district opposed the resolution on the ground that as there is no law in this State to punish profiteers, the investigation would be futile, they had previously secured the elimination of Bituminous coal from the investigation. The representatives from anthracite districts and labor representatives opposed the resolution on the ground that the appropriation of $5,000 was too small a sum for the investigation. This resolution was referred to the Senate and was laid on the table. Do not hesitate to let your Senator hear where you stand regarding this.

"NARBERTH CHORAL SOCIETY PERMANENTLY ORGANIZED AND IN FULL BLAST!"

(Continued from Page 1.)

publicity was left in the hands of Mr. J. Holland Heck, who had so thoroughly handled that phase of the work in the first stages of organization.

A By-Laws Committee, consisting of Messrs. F. R. Mitchell, F. C. Smith, F. M. Justice, submitted a constitution which was accepted, with a few exceptions. However, the important matter of "dues" was discussed at length, and upon motion of Mr. S. A. Rudolph, it was decided that the nominal sum of $1.00 be charged for an entrance fee to the Choral Society, and no other dues whatever, thus relieving the Society as a whole of cumbersome detail.

The Society was unanimous in its invitation to Prof. C. C. Nice to be its director. Prof. Nice accepted the office, and outlined the work and bright future in store for the organization.

The Society will start its work at once—Monday evening next, at 8 o'clock sharp, at the Y. M. C. A., and will give an exceptionally fine spring concert.

Attention then, all ye singers! For a score of the first production of the Narberth Choral Society, apply to the Librarian, or to the Secretary, phone number, Narberth 627 W., and appear at the stroke of 8 next Monday eve, February 21st, under the hospitable roof of the Y. M. C. A. This Choral belongs to Narberth and all adjoining neighborhoods. See that we all "pitch-in" and make it a big feature of our "Home Town," don't wait to be asked—get in at the start next Monday evening.

There is absolutely no reason why we cannot so successfully advance a Choral Society in Narberth that this one feature alone will put our town for once and all time, on the map, and even designate it as an edition of a "Bach Festival Chorus," convincing the surrounding localities, without a doubt, that this community is composed of "all-wool and a yard-wide" wide-awake progressive hustlers, who can "do things." HIP! HIP! HOORAY! FOR THE NARBERTH CHORAL SOCIETY! HERE'S TO THE ONLY POSSIBLE FUTURE,—SUCCESS!
